What do you do when you don't know what to do?

What do you do when you can't see the solution to a problem, but you know there is one? A wise man once said *"You cannot solve problems with the same kind of thinking that made them!"*

Code Crackers helps teams to understand 'what do they do, when they don't know what to do'!

Teams will have learn how to leverage team strengths and break their paradigms to solve our puzzles, unlock new ideas and develop new solutions!
